Full Turn Key! No More to Pay!

A grand opportunity for a first home buyer wanting to take advantage of the FHOG or an investor looking to step into an economical Brisbane City suburb!

The original parcel of land is being developed making way for 2 new blocks and build opportunities. The blocks will align with one street view block and a battle axe block to the rear, both with new services connected in preparation for construction.

Boondall is home to a mix of young and established families and retirees, with the local community centred around an array of amenities including IGA Supermarket, Pharmacies, takeaway shops, cafes, dine-in restaurants, Banks, fitness centres, beauty parlours, a public library and an array of schools for choice.

Only minutes up the road is Boondall Train Station, allowing an easy commute for city workers. Also a few km's away are the shores of Morteon Bay, featuring an array of dining options, a newly renovated public pool and playgrounds for the children.

The close by M1 motorway provides easy access to the north or south – which will take you to Brisbane airport in less than 15 mins!
